

Coding Timelapse Ideas

This is a list of ideas for projects I could code in less than a day and record as a Coding Timelapse video for YouTube.

- Pong (yes, I know, ShiftOS...) (C#)
- Breakout (C#)
- Hangman (C++)
- Snake (C#)
- Gateway OS Skin-poriem (Node.js)
- ShiftOS -> Pandemic Skin Convertor (C#)
- Asciiroids (C++ or C#)
- ANSI Pong (C++)
- Pandemic Window System (C#, as requested by TRM)
